Dear Friends and Colleagues:

We are writing you today to update you on the district court plans and upcoming schedule(s) for court hearings during the current pandemic. Please note that these schedules and plans may be altered in the future, depending upon orders from the state level.

Unless a matter is deemed "essential" by a district judge, or unless hearing a matter via Zoom teleconference would be impossible or impracticable, all hearings will be held via Zoom teleconference. You will be notified separately if a matter will be heard via in-person hearing at the courthouse.

For felony criminal cases, the following schedule will apply for each respective court during each week:

33rd Judicial District (Judge Garrett)

- * Tuesdays – Llano, Blanco & San Saba cases
- * Thursdays – Burnet cases

424th Judicial District (Judge Stubbs)

- * Wednesdays – Llano, Blanco & San Saba cases
- * Fridays – Burnet cases

Civil cases in district court may be heard on any date by agreement of the parties. Any "overflow" criminal or civil cases may be heard on Mondays as well. This new schedule will be effective June 15th and remain in effect until further notice from the district courts.

The coordinators for each court will handle all scheduling. As always, you will receive a notice from the court coordinator for each docket. Dockets may also be viewed on the court website, as each docket may be uploaded. As always, if you have any questions please contact the respective court coordinator.

Thank you for your understanding and cooperation through these unprecedented times. We are all trying our best to work through each matter, and do so efficiently and safely for all participants.

Sincerely,
